Expense Provisions

The following provisions apply to your health expense plan.

This section describes cost sharing features, benefit maximums and other important provisions that apply to your Plan. The specific cost sharing features and the applicable dollar amounts or benefit percentages are contained in the attached health expense sections of this *Schedule of Benefits*.

This *Schedule of Benefits* replaces any *Schedule of Benefits* previously in effect under your plan of health benefits.

KEEP THIS SCHEDULE OF BENEFITS WITH YOUR BOOKLET.

Deductible Provisions

Network Calendar Year Deductible

This is an amount of **network covered expenses** incurred each Calendar Year for which no benefits will be paid. The **network** Calendar Year **deductible** applies separately to you and each of your covered dependents. After **covered expenses** reach the **network** Calendar Year **deductible**, the plan will begin to pay benefits for **covered expenses** for the rest of the Calendar Year.

Out-of-Network Calendar Year Deductible

This is an amount of **out-of-network covered expenses** incurred each Calendar Year for which no benefits will be paid. The **out-of-network** Calendar Year **deductible** applies separately to you and each of your covered dependents. After **covered expenses** reach the **out-of-network** Calendar Year **deductible**, the plan will begin to pay benefits for **covered expenses** for the rest of the Calendar Year.

Covered expenses applied to the **out-of-network deductible** will be applied to satisfy the **network deductible** and **covered expenses** applied to the **network deductible** will be applied to satisfy the **out-of-network deductible**.

Network Family Deductible Limit

When you incur **network covered expenses** that apply toward the **network** Calendar Year **deductibles** for you and each of your covered dependents these expenses will also count toward the **network** Calendar Year family **deductible** limit. Your **network** family **deductible** limit will be considered to be met for the rest of the Calendar Year once the combined **covered expenses** reach the **network** family **deductible** limit in a Calendar Year.

Out-of-Network Family Deductible Limit

When you incur **out-of-network covered expenses** that apply toward the **out-of-network** Calendar Year **deductibles** for you and each of your covered dependents these expenses will also count toward the **out-of-network** Calendar Year family **deductible** limit. Your **out-of-network** family **deductible** limit will be considered to be met for the rest of the Calendar Year once the combined **covered expenses** reach the **out-of-network** family **deductible** limit in a Calendar Year.

Covered expenses applied to the **out-of-network deductible** will be applied to satisfy the **network deductible** and **covered expenses** applied to the **network deductible** will be applied to satisfy the **out-of-network deductible**.

Copayments and Benefit Deductible Provisions

Copayment, Copay

This is a specified dollar amount or percentage of the **negotiated charge** required to be paid by you at the time you receive a covered service from a **network provider**. It represents a portion of the applicable expense.

Payment Provisions

Coinsurance

This is the percentage of your **covered expenses** that the plan pays and the percentage of **covered expenses** that you pay. The percentage that the plan pays is referred to as the “Plan Coinsurance”. Once applicable **deductibles** have been met, your plan will pay a percentage of the **covered expenses**, and you will be responsible for the rest of the costs. The coinsurance may vary by the type of expense. Refer to your *Schedule of Benefits* for coinsurance amounts for each covered benefit.

Maximum Out-of-Pocket Limit

The **Maximum Out-of-Pocket Limit** is the maximum amount you are responsible to pay for **covered expenses** during the Calendar Year. Once you satisfy the **Maximum Out-of-Pocket Limit**, the plan will pay 100% of the **covered expenses** that apply toward the limit for the rest of the Calendar Year. The **Maximum Out-of-Pocket Limit** applies to both network and out-of-network benefits.

This plan has an Individual **Maximum Out-of-Pocket Limit**. This means once the amount of eligible expenses you or your covered dependent have paid during the Calendar Year meets the individual **Maximum Out-of-Pocket Limit**, the plan will pay 100% of **covered expenses** for the remainder of the Calendar Year for that person.

There is also a Family **Maximum Out-of-Pocket Limit**. This means once the amount of eligible expenses you or your covered dependent have paid during the Calendar Year meets the Family **Maximum Out-of-Pocket Limit** amount in the *Schedule of Benefits*, the plan will pay 100% of **covered expenses** for the remainder of the Calendar Year for all covered family members.

The **Maximum Out-of-Pocket Limit** applies to both network and out-of-network benefits. **Covered expenses** applied to the out-of-network **Maximum Out-of-Pocket Limit** will be applied to satisfy the in-network **Maximum Out-of-Pocket Limit** and **covered expenses** applied to the in-network **Maximum Out-of-Pocket Limit** will be applied to satisfy the out-of-network **Maximum Out-of-Pocket Limit**.

Expenses That Do Not Apply to Your Out-of-Pocket Limit

Certain covered expenses do not apply toward your plan **out-of-pocket** limit. These include:

- Charges over the **recognized charge**;
- Non-covered expenses;
- Expenses for non-emergency use of the emergency room;
- Expenses incurred for non-urgent use of an **urgent care provider**;
- Certain other **covered expenses** (see list in the *Schedule of Benefits*), and
- Expenses that are not paid, or **precertification** benefit reductions because a required **precertification** for the service(s) or supply was not obtained from **Aetna**.

Maximum Benefit Provisions

Calendar Year Maximum Benefit

The most the plan will pay for covered expenses incurred by any one covered person in a Calendar Year is called the Calendar Year maximum benefit.

Lifetime Maximum Benefit

The most the plan will pay for covered expenses incurred by any one covered person during their lifetime is called the Lifetime Maximum Benefit.

The Lifetime Maximum Benefit applies to **network** and **out-of-network** expenses combined.

Precertification Benefit Reduction

The Booklet contains a complete description of the **precertification** program. Refer to the “Understanding Precertification” section for a list of services and supplies that require **precertification**.

Failure to precertify your **covered expenses** when required will result in a benefits reduction as follows:

- A reduced coinsurance of 50% will apply separately to the eligible expenses incurred for each type or service.

General

This Schedule of Benefits replaces any similar Schedule of Benefits previously in effect under your plan of benefits. Requests for coverage other than that to which you are entitled in accordance with this Schedule of Benefits cannot be accepted. This Schedule is part of your Booklet and should be kept with your Booklet.
