These instructions will help you set up your online WageWorks retiree medical account (RMA) for the first time.

Welcome to WageWorks. To set up your account, please visit our secure website address and click the New Users - Register Here button.

Secure website address: https://MySpendingAccount.WageWorks.com

Enter the required demographic information (your name, date of birth, and Social Security number), and click the Next button.
Account registration

The registration code will be emailed to you. Please enter (or copy and paste) it into the Registration Code field. If the WageWorks system does not have an email address associated with your account, please call WageWorks Contact Center at 888-251-6982.

Next create your personal password and choose your security questions. Once you’ve completed this step, you’ll have finished the account creation and registration process.
